

PERMISSION AND WAIVER FORM FOR JUNIOR SOCIAL PLAYERS

*(to be completed by the parent/guardian of any person under 18 wishing to
join social training or play in any Hunter Volleyball Inc social competition)*

I understand that social volleyball competitions and social trainings (events) run by Hunter Volleyball Inc are offered to adults, *unless an activity is specifically promoted as being provided for junior players.*

I also understand that Hunter Volleyball volunteers do not have the capacity to supervise any person under the age of 18 attending adult events.

I have attended an adult event and am aware of the standards of volleyball that exist. I accept full responsibility for my child under the age of 18, and I acknowledge that my child is attending the adult event at their own risk.

Neither I nor my child will hold Hunter Volleyball liable for any failure to supervise, monitor or protect my child.
